

2022 Application Information

(4 pages)

Please read all this important information before filling out your application form. **Please note changes from the 2021 application information and terms & conditions.**

The Garrison Night Market may be subject to additional public health and safety restrictions and/or closures during the 2022 season relating to the COVID-19 pandemic. Fredericton Tourism and The City of Fredericton will continue to work with local public health officials, Work Safe NB, and local authorities to make coordinated decisions and provide regular updates to our vendors, patrons & staff.

The 2022 season will be 14 weeks, from June 9 until September 8 and it will continue to take place on Thursday's from 4:30pm-9pm.

***NEW: The Garrison Night Market site has expanded to incorporate a new vendor section to be located on the front lawn of the Barrack's (between Barracks building & Queen Street). This new vendor section will consist of several 5'x6' vendor spaces. These new vendor spaces include a 5'x6' tent & 6' table within the vendor fee.**

The Garrison Night Market is meant to showcase our diverse and creative community through handmade, locally produced & designed items, international foods, as well as internationally imported products that are handmade or artisan produced. We hope to see:

- Artists, Designers, Crafters
- Artist-made Imported Goods
- Creative and Ethnic Cuisine
- Local Microbrew Cider, Mead and Wine
- Animation by Local Tourism Attractions
- Jams, Jellies, Preserves, Baked Goods
- Fresh Local Produce
- Street Artists & Performers
- Food Trucks and Trailers
- And, more!

Below, you will find the terms and conditions for vending at the Garrison Night Market. **By submitting the application, you agree to all terms and conditions outlined below and in the attached Appendix A. If a vendor violates any of these terms and conditions, Fredericton Tourism reserves the right to restrict them from vending at any future Garrison Night Market. Fredericton Tourism's Night Market Manager is the final authority on these decisions.**

TERMS AND CONDITIONS:

Fredericton Tourism staff reserves the right to select, organize, place and determine the number of vendors for The Market, at their discretion, to allow for a variety of styles and offerings.

Fredericton Tourism will set the number of food truck and trailer operators and will select the operators based on the needs of The Market, determined by Fredericton Tourism. Any food truck or trailer vendors who are interested in applying for the Garrison Night Market must first be placed on the City of Fredericton's vendor list. **Appendix B** of this application form is the application to get on the list of potential food truck/trailer vendors for City of Fredericton operated events (including, but not limited to, the Garrison Night Market).

Fredericton Tourism will specifically negotiate contracts with entities that animate the space. A limited number of buskers will be permitted and those will be chosen based on the needs of The Market, determined by Fredericton Tourism, **and based on the current recovery phase of Zone 3 during the COVID-19 pandemic.** Tourism and cultural attractions that will bring dynamism, engagement and entertainment will be considered for space within the market free of charge.

Fredericton Tourism will limit the number of non-profit organizations (non-retail) per week. With the exception of tickets for future events & lotteries, on-site fundraising by placing or roaming with a container for accepting donations will not be permitted. The PRIMARY visual impact of a non-profit organization's booth

must be the non-profit event they are supporting and not the commercial entity that is doing the supporting. The Market reserves the right to revoke approval for future attendance if this is not how the non-profit is represented.

There will be no political activity permitted at the Garrison Night Market.

Although Market staff will endeavor to work toward more predictable placement of our vendors some movement will be inevitable. Fredericton Tourism continues to reserve the right to place vendors where it deems appropriate within the market area. Spaces are not proprietary to vendors and can be changed from week to week, at Fredericton Tourism's discretion.

- **NEW: Single-use plastic water bottles will not be permitted for sale or distribution at The Garrison Night Market.**

SET-UP AND PARKING

- We encourage vendors to park nearby, prior to 3pm, to unload and handcart items into their space. Parking at meters is free of charge after 5pm. Check here for a list of parking areas: <http://www.fredericton.ca/en/roads-parking/parking-facilities> (remember, the Officers' Square Lot listed is closed for The Market)
- Vendors who **must** bring a vehicle to their space will be permitted to bring their cars onto the street between 3pm and 4pm for set-up. All vehicles must vacate market area by 4pm. You will be granted access to the market space in your vehicle at the road closure at the corner of Carleton and Queen Sts. and advised to keep your speed to a crawl. Unload and move your vehicle off of Carleton Street prior to setting up your space – the street becomes very congested and backed up.
- Exceptions to leave vehicles on Carleton St. for the duration of The Market will be considered under special circumstances. For example: Farm producers who are selling from their trucks.

- Vendors may start tear-down no earlier than 9pm (*unless given prior approval*) and The Market area should be vacated by 10pm.
- We encourage vendors to handcart items out of their space to parked vehicles elsewhere.

- Motorists are advised to keep their speed to a crawl once granted access to the market space for tear down.
- We ask those vendors who have an exception to have their vehicle on Carleton St. during The Market wait until 9:15pm before leaving and do so at a very slow speed.

GOOD VENDOR BEHAVIOR

The day of the Garrison Night Market can get hectic, specifically during vendor setup. The Garrison Night Market takes an immense amount of time and peoplepower to pull off. We ask that vendors be cooperative and respectful to Garrison Night Market employees and other vendors. Vendors are to be on time to set up and promptly remove their vehicle or carts from the market area before 4pm. Any verbal or physical abuse will not be tolerated, and offending individual(s) will be asked to leave immediately, and they will not be permitted at the Garrison Night Market in the future.

RAIN PLAN

The Garrison Night Market will proceed rain or shine. **SEE APPENDIX A.**

ENVIRONMENTAL AWARENESS

With this many people coming together to enjoy delicious food and drink, trash is always going to be an issue. We ask all our vendors to consider the packaging they provide with their food, beverages, and other products, in order to make them recyclable, biodegradable, or reusable wherever possible. Please consider this seriously. Soon this may be an operational requirement.

NEW: Single-use plastic water bottles will not be permitted for sale or distribution at The Garrison Night Market.

There will be a campaign to our customers asking them to bring their own refillable bottles to use the City's potable water trailer for refills.

POST-MARKET EVALUATIONS

We want to make this a great experience for our vendors. To do this, vendors will be asked to fill out a post-Night Market evaluation form. This form will be used to give Fredericton Tourism insight to the successes and challenges of the Garrison Night Market, and the impact they have on the vendors. This information will be used to analyze the market and identify ways to improve how the Garrison Night Market functions. These forms will be sent out via email to the vendors at the end of The Market season. If at any time you have comments or concerns, please do not wait until the end of the season. They can be directed to Market Management. Contact information is below.

DISCLAIMER

The Garrison Night Market, Fredericton Tourism, the City of Fredericton, or staff thereof is not responsible for the loss, damage or theft of vendor property or profits.

Fredericton Tourism may, at any time and at their sole discretion, modify these terms and conditions as required with or without notice.

Thank you for reading until the end!

ELECTRICAL:

Electrical products that don't meet Canadian electrical safety requirements may be dangerous. Any electrical products that do not have certification marks from CSA, cUL, or cETL will not be permitted for use at the Garrison Night Market. We reserve the right to disconnect and restrict any unsafe and dangerous electrical products. Please refer to The Government of Canada electrical product safety page for more information. <https://www.canada.ca/en/health-canada/services/home-safety/electrical-products.html#a1> and look for these labels on your outdoor use electrical cords:

The Garrison Night Market is open air and a rain or shine event. For this reason, all extension cords must be rated for outdoor use. This restriction is for your wellbeing as it will help to eliminate potentially life threatening safety hazards. When using extension cords always inspect the cord for damage before use.

Indoor use cord (unsafe for outdoor use):

Approved outdoor use cord:

More examples of unsafe cords:

All vendors that will need access to power are required to bring their own extension cords (**recommended length of 50ft**). Access to power is provided for a fee. Extension cords are NOT provided.

Please note that power access will not be available until after 3pm and will be shut off to vendors at 9:30pm.

VENDOR SPACE ILLUMINATION

In order to illuminate your booth it is not always required that you be connected to power. There are alternatives such as solar or battery powered string lights. Alternatively powered lights can be similar in price to classic string lights and won't require you to pay a power fee. If you add up the power fee and the lighting cost it can add up to significantly more than a set of solar or battery powered lights.

TENT AND TABLE RENTALS

Vendors who will be renting tables and/or tents can pick up these items from Fredericton Tourism staff – location TBD. Your rental must be paid for in advance. Market staff will require your vendor name or number to sign out the item, they will mark the items as returned once they are brought back at the end of the night (prior to 10pm).

WEIGHTING YOUR TENT CANOPIES

The Garrison Night Market is an outdoor experience with varying weather conditions. Weighting down the tent is the sole responsibility of the vendor (whether it is their own tent or rented from the Garrison Night Market). Not all vendor locations have access to grass terrain so pegging the tent down is not always an option. A great alternative to pegs involves placing weights on the legs; weights can range from dumbbells to large jugs of water (that can be filled once you get to The Market). A great article for holding your tent down on the street can be found [here](#)

(<https://www.wikihow.com/Hold-Down-a-Canopy-Tent-on-Concrete>). Garrison Night Market staff has authority to deny the vendor from setting up if the vendor does not have proper tent weights and the wind is gusting.

WATER ACCESS

Vendors who require access to water can sign out a key from Garrison Night Market staff by providing their vendor name or number. They will then be able to access the sinks in the rear of the Fredericton Tourism building located at 11 Carleton Street. Keys should be returned immediately upon completion of use and must be returned before 9pm to the Night Market office.

GARBAGE DISPOSAL

Garbage and recycling receptacles will be provided throughout The Market for customers. There are two dumpsters to be used by Garrison Night Market vendors and it is located at the north end of the Fredericton Region Museum. **Do not use any other dumpsters.** Leaving garbage behind may result in exclusion from The Market in the future.

GREY WATER AND GREASE DISPOSAL

It is mandatory that all food vendors dispose of oil and/or grey water into the grease container located behind the shipping container near the pedway. NO dumping on the ground or down a manhole/sewer or sink, it must be dispensed into the approved container provided by the City of Fredericton. Any vendors caught dumping their waste on the ground, down a city manhole/sewer or in a sink will no longer be able to participate in the Garrison Night Market or at events on City property in the future.

FOOD VENDOR LICENSING

Those selling food will be required to meet current NB Dept. of Health regulations and provide proof of licensing before being allowed to set-up.

- Contact the NB Department of Health: Emily.Smith2@gnb.ca

ALCOHOL VENDOR LICENSING

Those selling cider, mead or wine must meet current Alcohol NB Liquor AND NB Dept. of Justice & Public Safety and provide proof of licensing before being allowed to set-up.

- Contact Alcohol NB Liquor: lauren.arnold@anbl.com
- Contact the NB Dept of Justice & Public Safety: dps-msp.information@gnb.ca or 453-7472

IN THE EVENT OF RAIN

The Garrison Night Market is a rain or shine event. Come prepared for rain. Some ways to work around intermittent showers are to: bring tarps (clear plastic allows customers to continue to see what you are selling), add side walls to your tent, have large plastic bins on standby to put product in to keep it dry.

The City of Fredericton provides no guarantees that any or all of those expressing an interest will be added to the existing list of
